# Our Story...

Encircling our 300 acre Buckinghamshire parkland estate, Stoke Park's famous 27 hole Championship golf course, is undisputedly one of the finest parkland courses in the country. Created in 1908 by eminent golf architect Harry Colt, the Stoke Park course has been the inspiration for many of the world's most famous holes, including our iconic 7th hole which was the inspiration for Augusta's 16th.

The course itself has seen many impressive rounds in its prestigious history, including the first PGA Matchplay tournament in 1910 and James Bond's epic golfing duel in 1964 classic 007 movie *Goldfinger*.

2017 saw the full refurbishment of our Colt and Alison courses which re-opened to much acclaim by both our guests, members and the media.

By choosing Stoke Park as your venue, you and your guests are assured world class service, incredible sporting facilities and an unforgettable experience.
